

# FRESH. SEASONAL. SCOTTISH.

Here at Victoria's we're passionate about using the freshest seasonal produce from Scotland's rich larder.

Our beef comes from fully accredited Scottish farms, traditionally aged for a minimum of 21 days on the bone and hand cut by skilled butchers using time-honoured techniques. We cook all our steaks on our chargrill using natural coals to maximise flavour.

Fish is delivered to us daily, caught from sustainable sources around Scotland's coast.

Our chicken is all free range and corn fed, producing a deeper flavour and providing assurance that our produce is well sourced and looked after from farm to plate.

Fresh fruit and vegetables are supplied by Mark Murphy & Partner of Newbridge, Edinburgh. They pride themselves on sourcing the finest Scottish seasonally grown produce and are committed to supporting local farmers and producers.

We source our cheese from artisan producers showcasing some of Scotland's most flavoursome dairy produce.

We're committed to enjoying produce when it's at its best, from our favourite local suppliers.

Vegetarian dishes are denoted with (V).
