

FRESH. SEASONAL. SCOTTISH.

At Victoria's we are passionate about using the finest seasonal produce from Scotland's rich larder.

All of our beef is naturally grass fed and sourced from Quality Meat Scotland accredited farms from throughout Angus and Aberdeenshire. Our Butcher Yorkes of Dundee, further enhances this product by dry ageing on the bone in their Himalayan salt chamber for a minimum of 35 days.

All of our chicken is barn reared.

Scottish fish and shell fish, caught from sustainable sources around Scotland's coastal waters, delivered daily by Iain Stewart Fish Sales..

Fresh fruit and vegetables are supplied by Les Turriff of Dundee who have a history stretching back to a single market stall in Dundee.

When in season all game comes from Ochil Foods, a small family business just outside of Perth.

We are committed to enjoying produce when it is at its best.
